Re: Fiscal sponsorship

Dear Cyrielle:

I am writing this letter to confirm that the Kitsap Community Foundation is acting as the fiscal sponsor of Barnacles and Bees. This means that Barnacles and Bees is operating under the 501(c)(3) (94-3205217) umbrella of the Foundation.

Consequently, Barnacles and Bees is able to accept tax-deductible donations as long as donation checks are made payable to Kitsap Community Foundation with a note indicating that the donations are intended for Barnacles and Bees. Barnacles and Bees is also able to accept donations through the Foundation's website.

Additionally, with the prior approval of the Foundation, Barnacles and Bees is welcome to apply for grants from other Foundations and funding sources that require 501(c)(3) status. In these grant applications, Barnacles and Bees must clearly indicate that Barnacles and Bees is being sponsored by the Foundation and request that any grant checks be made payable to the Foundation.

Please feel free to share this letter with any interested parties.

I'm always available if you have any questions.

Best wishes,
